FasTrackKids Preschool Makeup Class Policy

We are happy to offer makeup classes to our FasTrackKids preschool students. Each student is eligible for makeups for up to two (2) missed classes per month. In order to qualify for a makeup, parents or guardians must notify the FasTrackKids preschool administrator of their student's absence before the day's class has begun (24-hour notice is preferred, as it makes it easier for the administrator to schedule makeups for all students). The makeup class appointments must be made within 30 days of the student's absence. Please be considerate; if you do not attend your scheduled makeup class, we cannot reschedule it.

Please keep in mind that while we do our best to schedule makeups that work with your schedule, we do have to maintain our classroom occupancy limit for safety concerns. We cannot fill classes past their capacity, so the class days open for makeups are subject to change. In the event that our weekday classes are full, we also have weekend classes that may serve as makeups. Thank you for your cooperation with this policy, as it helps the class run smoothly for both students and parents.
